Read the book two ways

layer-by-layer (Parts), or question-by-question (traceability)

A · LAYER-BY-LAYER (Parts I → VI)

- **I · The Token**
- **II · The Workload**
- **III · The System**
- **IV · The Architecture**
- **V · The Fleet**
- **VI · The Architect**

build the substrate, then the discipline

B · QUESTION-BY-QUESTION

token → cost	Ch1
fits host? → KV	Ch3/7
which phase binds?	Ch2/8
1 host or fleet?	Ch17
who serves it?	Ch18
is it the right call?	Ch21/26

each question → the chapter that answers it
