

Read the book two ways

layer-by-layer (Parts), or question-by-question (traceability)

A · LAYER-BY-LAYER (Parts I → VI)

I · The Token

II · The Workload

III · The System

IV · The Architecture

V · The Fleet

VI · The Architect

B · QUESTION-BY-QUESTION

token → cost

Ch1

fits host? → KV

Ch3/7

which phase binds?

Ch2/8

1 host or fleet?

Ch17

who serves it?

Ch18

is it the right call?

Ch21/26

build the substrate, then the discipline

each question → the chapter that answers it
